

HOW TO REACH US

Location

The building housing Agire Foundation is adjacent to the Lugano Nord motorway exit in the direction of Ponte Tresa/Lamone. It can be reached by bus from the Manno Suglio bus stop. The nearest FFS stations are Lamone-Cadempino and Lugano.

Public transport

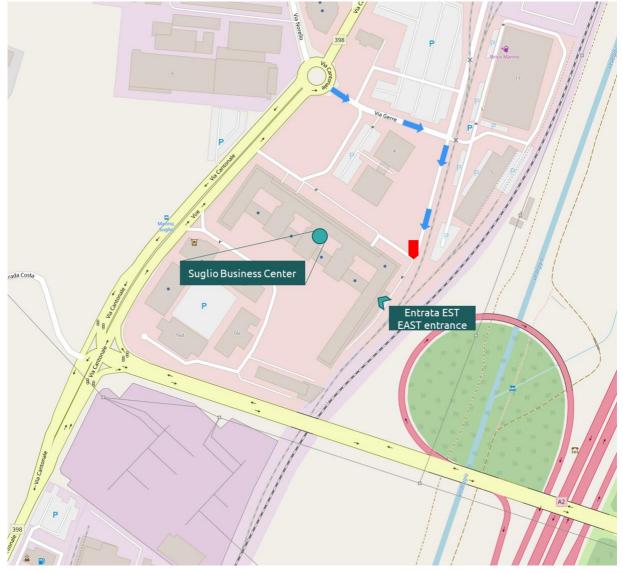

The Technopole and Agire Foundation are located on the 5th floor of the Suglio Business Center in Manno. Entering from the WEST entrance, walk along the entire corridor on the ground floor towards the EAST entrance, the lifts remain on the left. Once you reach the 5th floor, take the corridor immediately to the right, proceeding to the atrium in front of our office. The rest of the Technopole is on the majority of the fifth floor.

Limited outside parking spaces are available for visitors.

The 'supplier/visitor' parking spaces located outside can be used for a maximum of 2 hours. We advise our visitors to respect this duration as the owners of the building are strict and forcible removal of unauthorised vehicles is possible.

On request, for stays longer than 2 hours at the Technopole, it is possible to request parking in the underground garage from Agire Foundation. Access to the garage is only possible after booking – at least 24 hours in advance – and entering the car's license plate number in the system. To gain access, approach the barrier slowly and wait for the system to detect the license plate number and allow entry.
